Award Winning Design Practice

Key Skills

- Landscape Architecture
- Reserve Masterplanning
- Integrated Youth & Skate Space Provision
- Whole of Community Public Domain Design

Marina Reserve

...a park for everyone!

OUR APPROACH

- **Designing multiple use, flexible public spaces**
- **Inter generational , inclusive spaces**
- **Innovative and integrated design solutions**
- **WSUD (Water Sensitive Urban Design)**
- **Robust, durable, vandal resistant materials**
- **Active spaces**
- **Contextual appreciation**

Marina Reserve

...a park for everyone!

WHAT IS A MASTERPLAN?

- A long term strategic plan for the ongoing development and use of a public park over a predetermined time line.
- It provides clear direction for ESD considerations, current & future use, maintenance, management & redevelopment (as applicable).

Marina Reserve

...a park for everyone!

WHY A PARK FOR EVERYONE?

Marina Reserve is a public park & we want to ensure everyone has the potential opportunity to enjoy using the space, facilities and activities it has to offer.

- **Whole of community use**
- **Social connections**
- **Family use**
- **Inter generational connection**
- **Multiple uses**
- **Inclusive rather than exclusive activities**

Marina Reserve

...a park for everyone!

WHAT IS A PARK FOR EVERYONE?

Essentially, all public space is provided for everyone in the community to appropriately use.

- All cultures
- All age groups
- Locals
- Tourists
- All abilities
- Inclusive
- Integrated
- Welcoming

The following slides show some examples of what a park for everyone could include and the different users it could cater for.
