

Marina Reserve Masterplan

Draft Operations Plan - 16 Sep 2011

Following CMA (Coastal Management Act 1995) approval for the Marina Reserve Masterplan, Council is developing an operations plan and is seeking community input. The operations plan covers all day to day use, management and maintenance of the car park, gates, toilet, skateable infrastructure, bbqs and/or any other areas within the reserve.

Topics	Standard	Who to contact if issues arise
General condition of the reserve	<p>Marina Reserve is to be maintained as an attractive and safe environment and essential works are to be carried out in order to maintain and enhance the recreational capacity of the reserve.</p> <p>Cleaning regime for: Active recreation and skateable space:</p> <ul style="list-style-type: none">• April to October – once a week• November to March – every second day <p>BBQs: BBQs are to be fully cleaned:</p> <ul style="list-style-type: none">• April to October - once daily• November to March - twice daily <p>Toilet: The toilet is to be cleaned as follows:</p> <ul style="list-style-type: none">• April to October - twice daily• November to March - three times daily <p>Litter: Bins in the general reserve will be emptied three days per week in winter and five times per week in summer. Bins in the carpark will be emptied seven days per week.</p> <p>Graffiti: Graffiti is cleaned within two days of notice or within 24 hours if it is deemed vulgar or offensive. In the first year Marina Reserve will be checked two to three times a week</p> <p>Also covered in the operations plan is the cleaning regime for the balance of the reserve including the grassed area, garden beds and playground and response times to call outs. Cleaning regime to be monitored and changes made if required.</p>	Council by calling the ASSIST Service Centre on 9209 6777
