

Draft Graffiti Management Plan 2013-2018

HAVE YOUR SAY

The City of Port Phillip spends over \$330,000 annually on the management and removal of graffiti from commercial and private properties as well as Council owned properties. We've developed a draft Graffiti Management Plan to help us minimise the incidence of graffiti across our city and we'd like your feedback on the draft. The plan uses five strategies of eradication, engagement, education, enforcement and evaluation in addressing the problem of graffiti.

You can find the draft plan on our website: www.haveyoursayatportphillip.net.au or visit one of our town hall and libraries to view a copy. Having viewed the draft, please complete this simple survey.

Does the draft plan capture all the issues and opportunities?

Do you have any other recommendations not mentioned in the draft plan that can help to address graffiti in the City of Port Phillip?

Any other comments?

Please follow the reply paid instructions on the back of this form.

For more information contact: Helene Agius,
Project Officer on 9209 6754 or email:
hagius@portphillip.vic.gov.au

Please fold and seal the completed questionnaire as indicated and place in your nearest letter box
by Friday 30 August 2013
