Comments from our Emerald Hill Conversation Tent

More public involvement in decision making in regards to SM market

Conversation starters

Comments from our Elwood Conversation Tent

Council to lobby and encourage the community to influence how Melbourne Water treats our water.

Comments from our Port Melbourne Conversation Tent

Council officers to be more responsible and to act and respond more like a business.

Comments from our Elwood Conversation Tent

Council priority should be - openness, transparency. Need 'real' conversations happening. Council meetings aren't enough.

Comments from our Port Melbourne Conversation Tent

Port Melbourne needs two councillors to represent it.

Comments from our Albert Park Conversation Tent

Rates should not go up automatically each year

Comments from our Albert Park Conversation Tent

Back to basics....rubbish dumping...trees...drains... parking....noise

Comments from our Port Melbourne Conversation Tent

Stop raising our rates annually for no good reason. Start using rates & Council resources more responsibly.

Good work on the dune fencing

Comments from our Elwood Conversation Tent

More bike parking every where in the city. Bike loops are always full.

Comments from our Port Melbourne Conversation Tent

Take better care of trees. In North Port all the elm trees died. Need to water trees and prevent elm disease.

Comments from our Junction Conversation Tent

Keep open space to help with flooding when developing property - give space to allow water absorption.

Building resilience and innovation

Comments from our Emerald Hill Conversation Tent

We need more bike racks.

Comments from our Junction Conversation Tent

Ensure Yarra trams cleans up junction underpass.

Comments from our Albert Park Conversation Tent

CoPP Sustainability Plan, this is a good plan. Continue for next four years.

Insulation needed in the market Cooler in aisle B

Comments from our Elwood Conversation Tent

Too many trees dying. Waste of money. Water newly planted trees to

Comments from our Albert Park Conversation Tent

Get rid of the Grand Prix

Comments from our Emerald Hill Conversation Tent

Climate change is a real issue. Resist the pressure to drop any sustainability program's

Comments from our Elwood Conversation Tent

Climate change mitigation policies should be a key priority.

Empowering community

A Diverse and
Inclusive City

Comments from our Emerald
Hill Conversation Tent

We need more aged care
facilities.

Comments from our Albert
Park Conversation Tent

Love linking neighbours it's
quite stylish and impressed
with community care
services

Comments from our Port
Melbourne Conversation Tent

Stop the lip service on
disability services. Create an
action plan and get on with it.

Comments from our Emerald
Hill Conversation Tent

Love the markets (eg
Gasworks) - lovely
community feel

Comments from our
Elwood Conversation Tent

Good place to work. A good
community feel here in
Elwood.

A welcoming place

Comments from our Emerald
Hill Conversation Tent

Concerned that the neighbour-
hood is at risk of losing its
authenticity and diversity. We
need to retain good mix espe-
cially for more marginalised.

A creative and
cultural place

Comments from our Port
Melbourne Conversation Tent

Child care and schools are
important. I'm worried about
my seven month old
daughter.

Comments from our Albert
Park Conversation Tent

Port Melbourne Festival in
Edwards Park (2000-2002)
was an example of building
community. Great activities

Comments from our Port
Melbourne Conversation Tent

Yalukit Willem festival was
great the T Shirts with the
program on we're really good.

Comments from our
Elwood Conversation Tent

Keep the vibrant village feel.
Love Elwood for the sense of
community.

Comments from our Junction

St Kilda Library - not
running summer holiday
programs. Reinvigorate.
Love the library. Service is
great. CDs and online
catalogue great.

An active and
connected community

A Liveable
City

Comments from our Albert
Park Conversation Tent

Super high rise, especially
in narrow Melbourne streets,
creates shadows and makes
no sense.

Comments from our Emerald
Hill Conversation Tent

Garbage dumping by people
using ferry in summer a
concern - seems to be people
from outside the municipality

Comments from our Port
Melbourne Conversation Tent

Can we make Station Street
a 40 kmh zone to stop
speeding.

Comments from our
Elwood Conversation Tent

Density housing is not
such a bad thing.

Comments from our
Junction Conversation Tent

Remove the Grand Prix

Vibrant, viable
villages

Comments from our

Advocate for a double tram
on the 3A route. Gets very
busy with people going to
the beach.

Comments from our Albert
Park Conversation Tent

More street trees in Heath
Street

Planned for a
sustainable future

Comments from our Port
Melbourne Conversation Tent

Loves the shops, public
transport. Port Melbourne
is great.

Comments from our Emerald
Hill Conversation Tent

Continuation of the tram track
down Park Street is a great
idea and has lots of support.

Comments from our Albert
Park Conversation Tent

Green waste service
monthly/bin

Comments from our Port
Melbourne Conversation Tent

Keep the Port Melbourne
waterfront attractive and
available to all. No more
high rise buildings.

Comments from our Emerald
Hill Conversation Tent

Emerald hill library needs to be
reopened with a larger amount
of stock.

A friendly and
dynamic place
