

Gasworks Arts Park Upgrade

- Western Precinct**
- 13 Existing garden bed with brick edging to be removed
 - 14 Proposed playground (by others)
 - 15 Existing path to be modified to give existing trees more room
 - 16 Existing dog off lead area to be retained
 - 17 Proposed picnic setting to be located close to studio rooms and existing toilets
 - 18 Existing light poles to be removed and replaced with solar lights
 - 19 Existing bluestone paving to be retained
 - 20 Existing path to be slightly reduced in width to allow 2m wide planting buffer between new school boundary and path

- Northern Precinct**
- 1 Existing vehicular entry to be retained
 - 2 Existing sculptures to be retained
 - 3 Existing maze to be retained
 - 4 Existing vehicular path to be modified to improve vehicle turning movements and reduce the amount of paving
 - 5 Proposed exposed aggregate concrete path to provide a primary link for students between campuses
 - 6 Existing coloured concrete path to be retained

- Eastern Precinct**
- 7 Bluestone wall in disrepair to be removed
 - 8 Existing BBQs and park furniture to be removed and replaced in a more suitable location
 - 9 Existing informal mulch paths to be retained and lined with logs to both sides to clearly define paths
 - 10 Existing concrete pad to be removed
 - 11 Existing swings to be removed and replaced with a new adult/child swing and a toddler swing
 - 12 Existing path to be moved west away from the existing brick wall to improve pedestrian safety. Proposed seats to act as a safety barrier and low level planting to retain sightlines into the park.

LEGEND
