

Lighting actions

Lighting scheme circa 1934

Lighting scheme circa 1950

Deliverables/Actions

Short term actions	In Progress
1. Provide alternate bin storage in a discrete fenced area within the North Courtyard	
2. Introduce landscaping such as pot plants to change perception from a utilitarian space to one that is playful and enjoyable	
3. Investigate the feasibility of re-using the former fire station residence	
4. Develop and install improved signage and way finding in this precinct	
5. Partner with community and local organisations to increase the use of the forecourt for events, market stalls, exhibitions to occur alongside current uses	✓
6. Provide and clearly delineated occasional vehicle access to the forecourt, instal bollards	
7. Document current use of the forecourt to better plan for gaps in use	✓
8. Create a large accessible area for events (Forecourt)	
9. Install a poster bollard to promote the events in the precinct (Forecourt)	
10. Design a formal public space to complement the South Melbourne Town Hall (Forecourt)	
11. Increase the amount of shade and landscaping (Forecourt)	
12. Design grassed areas for casual use to allow people to lounge in the sun (refer to grassed slopes of the State Library forecourt as an exemplar) (Forecourt)	
13. Investigate Water Sensitive Urban Design, such as bio retention tree pits (Forecourt)	
14. Plant deciduous trees to celebrate the seasons and to allow for full views of the town hall building in winter and to provide summer shade (Forecourt)	
15. Plant understorey plants which are seasonal, fragrant, and colourful (Forecourt)	
16. Install seats that are contextual to the heritage of the precinct and inviting to use (Forecourt)	
17. Design a pedestrian connection across Bank Street to Library and Police Station	

18. Optimise loading available in the town hall building	
19. Provide way finding signs to indicate the public transport available in the area as well as the bicycle routes running in Cecil, Park and Moray streets	
20. Provide pram and disabled crossings to enhance access between the two sides of Bank Street near Perrins Street	
21. Rebuild all vehicle crossings to 222 Bank Street to current standards	
22. Organise temporary road closures to enable temporary event use, partner with community and local organisations to increase the use of Marshall Street for occasional events	
23. Investigate provision of universal access to all levels of the 222 Bank Street building	✓
24. Commission the design of the library forecourt	✓
25. Create formal and informal place to sit outside	
26. Include trees to provide summer shade	
27. Plant understorey plants which are seasonal, fragrant and colourful	
28. Develop and adopt a curatorial rationale to guide the commissioning process for art in the precinct:	
29. Establish a shortlist of qualified public artists	
30. Commission and implement a design to light up the Bank Street facade of the South Melbourne Town Hall	

Medium term actions	In Progress
31. Provide alternate toilet facilities in the North Courtyard	
32. Improve accessibility to ground floor facilities in the North Courtyard	
33. Investigate the feasibility of gallery space to show Council's collection and contemporary art	
34. Investigate the feasibility for the Ballantyne Room to be used as a function centre or restaurant	
35. Introduce additional outdoor seating to encourage street activity that complements the uses of the Ballantyne Room	
36. Design a more visible western entrance for Fishley Street	
37. Re-organise car parking in Layfield , Daly and Fishley streets to provide better amenity	
38. Widen the footpath around the Town Hall building to improve its setting and the general levels of accessibility in the precinct	
39. Install two accessible parking spaces at end bays in Fishley Street	
40. Require Green Travel Plans for existing and future tenants of Town Hall as part of lease agreements	
41. Control event parking demand through event conditions	
42. Investigate the potential for car share use by tenants and residents	
43. Maintain the use and capacity for car parking in Marshall Street	
44. Maintain key axial views from Dorcas Street to the rear of the Town Hall	
45. Instal bollards to create the ability to close the area to cars to be used as a event space (Marshall Street)	
46. Install a lift to access all floors of 222 Bank Street	
47. Explore options to expand open space opportunities in the precinct	
48. Commission forecourt artwork	
49. Implement a design to light up the Daly street facade of the South Melbourne Town Hall	
50. Install new pole mounted light fittings on existing power poles at the rear and sides of the building, with Citipower approval	
51. Install lighting to improve the pedestrian amenity around the Town Hall, mindful of adjoining residential properties	

Long term actions	In Progress
52. Lease café space in the North Courtyard	
53. Upgrade the Layfield Street entry	
54. Establish a cohesive precinct character through paving treatment consistent with the Town Hall forecourt	
55. Carry out further consultation with building users about extent of vertical garden	
56. Maintain light and ventilation to office space investigate a vertical garden to wrap the building form, consider future maintenance	
57. Establish an attractive backdrop to the Town Hall	
58. Carry out a night lighting trial	
59. Replace the optical systems within the heritage lamp posts to achieve a more even illumination of wall surfaces
