

Little Finlay Reserve

Final plan

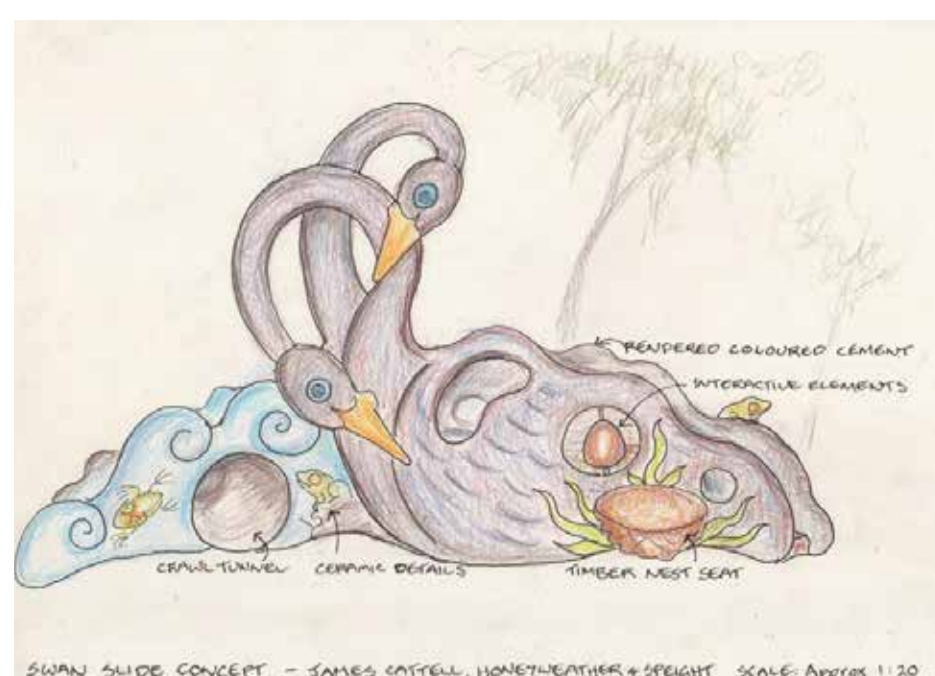

The final plan includes the 'swan themed play piece' which had the higher number of votes from the community. There was strong support for the reserve to remain a playground.

The changes to the design include:

- increase in garden bed area
- decrease in hard pavement
- more trees
- increase in quality of material to make the space more interesting

The park upgrade will be completed by mid 2015. Prior to works commencing signage will be displayed on site.

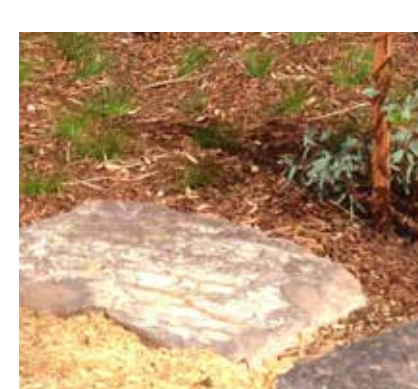

- ① Artistic play unit - Swan theme representing the swans seen on Albert park lake. Includes:
- slide
 - crawl tunnel,
 - swans nest with eggs
 - other animals such as frogs

- ② Basket swing. Suitable for all ages including babies, toddlers and people with disabilities.

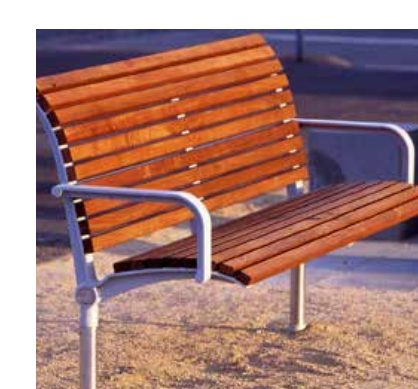

- ③ bluestone paving

- ④ rocks

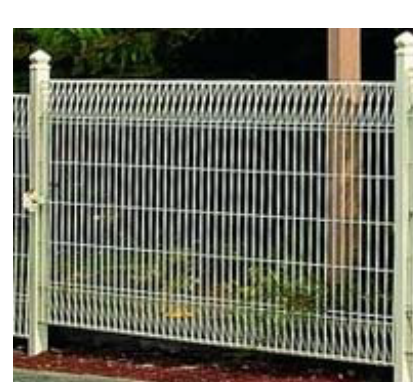

- ⑤ pavers

- ⑥ seat

- ⑦ new planting

- ⑧ new fence

- ⑨ timber steppers

- ⑩ picnic table

- ⑪ rubber tiles

- ⑫ softfall mulch

proposed trees and plant selection
