Proposed C203port

Strategies

Support development that promotes alternate modes of transport and reduces reliance on private vehicles. [NEW ITS & Council Plan amended]

Ensure new use and development supports the prioritisation of the following transport modes in the following order: [21.03-2 O1.1 amended]

- Walking.
- Bicycle riding.
- Public transport.
- Subscription based vehicles (e.g. car share) and electric vehicles.
- Private motor vehicles. [21.03-2 O1.1 amended]

Support the provision of active transport infrastructure in developments (such as high levels of bicycle parking and end-of-trip facilities). [NEW 21.03-2 O1.1 & Audit recommendation 60]
